5. Please select the strategic pillar related to the experience/event.*Mark only one oval.*

- ☐ One Future *Skip to question 14.*
- ☐ Sustainable Future *Skip to question 10.*
- ☐ Innovation & Technology *Skip to question 6.*
- ☐ Globalism & Inclusion *Skip to question 18.*
- ☐ Submit *Skip to "Thank You! ."*

Innovation & Technology Practices

Part of our Strategic Plan is to develop awareness and innovative responses to technological trends. This form is used to capture the creative, technical and inventive practices in and out of your classroom.

Innovation is defined as:

- a new idea, device or method; introduction of something new.

Technology is defined as:

- the practical application of knowledge; the manner of accomplishing a task using a technical processes, methods, or knowledge.

6. Innovative approach

Ex: Used BlueJean network to interview students in Africa regarding their education system

7. Practical application of knowledge

Ex: Used expository writing skills to create articles for local newspaper

8. Technical processes, methods or knowledge

Ex: Used Adobe InDesign to format and edit articles

9. Keywords

Please provide keywords. Ex: Poverty, Love, 3D printing, etc. Please separate keywords with a comma.

Skip to question 5.

Sustainable Future Section

Severn's teachers are committed to learning new and more effective methods for helping students learn and understand in thoughtful and enduring ways.

10. New/improved assessment practices

Ex: Used the Harkness Method to gauge student understanding of Macbeth

11. Incorporated research practices into student work

Ex: class used Ebsco database to research patent process

12. Professional development

Ex: attended Library of Congress seminar on primary source usage

13. Keywords

Ex: Harkness Method, Ebsco, primary sources, patents, ... Please separate keywords with a comma.

Skip to question 5.

One Future Section

The Severn community will foster an inclusive PS-12 community with cross-divisional collaboration to ensure a seamless experience that is communicated clearly to all members.

14. Inclusive project or event

Ex: 4th grade students visited local senior center to share stories and artwork

15. Cross-divisional project or event

Ex: 6th grade elective enlisted the help of kindergarteners to design educational toys for them

16. Communication with community

Ex: Wrote article for Binnacle discussing Chesapeake Bay oyster recovery project

17. Keywords

Ex: collaboration, empathy, math, oysters... Please separate keywords with a comma.

Skip to question 5.

Globalism & Inclusion Section

Our students deserve an educational experience that supports, challenges, and prepares them for opportunities and expectations of an increasingly diverse and interconnected world.

18. Inclusive project or event

Exs: Students/faculty attended the diversity conference; the International dinner event

19. Program/lesson helping students connect globally

Exs: Skype interaction with students in France; Student exchange trip to Italy; a multi-cultural unit exploring South America

20. Service experience with local, regional and international communities

Exs: A class trip to serve meals to homeless persons; International trip to serve as tutor(s) in an area of need

21. Keywords

Ex: South America, homelessness, service, kindness, ... Please separate keywords with a comma.
